ABOUT JUNO FOUNDATION

Juno Foundation empowers adolescent girls and young women to achieve strong mental health and well-being. The Foundation delivers its services through Juno House, the only counseling facility in Calgary focused exclusively on the unique mental health needs of adolescent girls, young women and their families. Anxiety is the most significant emotional health issue treated at Juno House, commonly manifesting itself in eating disorders, self-harm and depression.

Donations to Juno Foundation provide (1) subsidized counseling for individuals and families who cannot afford to pay for the full cost of treatment, and (2) training of therapists, doctors, nurses and other specialists to increase capacity in our community.

Girl Power Hour is a unique opportunity to join other Juno Foundation supporters for a lunch event that will inspire guests and create awareness.
